WELCOME TO ABERDEEN CENTRAL

We hope that you feel at home here and are able to meet with God in a meaningful way. When we say "come as you are" we really do mean it. We believe church should be fun, relevant, encouraging and challenging, helping us to grow spiritually.

Catalyst Vineyard Church – Aberdeen Central (formerly known as City Church Gilc Park) has seen an incredible journey of faith and expectation over the last few years as we have sent out and commissioned many teams to begin new sites as part of our multi-site vision as a church. Whilst we have sent out, we have continued to grow, and our vision is to pioneer again into our city and communities.

We are a diverse family from all walks of life and our hope is that we would see those who feel they have no place in the world find family and ultimately Jesus in our church.

We would love you to join us on the next step of the journey as a church family and invite you to play your part in our call to Aberdeen and this nation.

Site Pastors: James & Tori Duce

With love,

Catalyst Vineyard Church - Aberdeen North (formerly known as City Church St Machar) launched in March 2013 and we have been on a really exciting journey ever since. We are passionate about being and sharing the good news with every person who lives in the communities surrounding St Machar Academy where we meet. From students and young people through to some of the most vulnerable adults in the city, we want everyone to know about Jesus and come into a relationship with Him.

We think the church should be the best family that you could ever ask for, and that no matter where you come from, you can be part of a loving, supportive, passionate community and build lasting friendships as well as grow in your faith. That's what we are all about!

With love,
Scott & Sarah x

Catalyst Vineyard Church Stonehaven (formerly known as City Church Stonehaven) has been on an exciting journey over the last few years. We launched in January 2013 as part of our 'Spreading Life Together' vision that seeks to see expressions of our church established across the city and the shire. The site started with a small committed team but has grown in number and we love that people are finding a spiritual home with us. We now meet at Mackie Academy where we have plenty of room to grow and develop new ministries.

Values that are close to our heart are serving our community, kids work, young people and feeding the poor. We really want to be and speak good news to our community. We all need Jesus, whoever we are and whatever background we have. Come as you are!

With love,
Ali & Gill x
